

Guitar Training

Master minor & major chords, strumming techniques, music theory, and more to play your favourite songs

Duration: 4 weeks | Certified Training

About Guitar Training

The Guitar Training by Internshala is a 4-weeks online training that will help you master minor and major chords, strumming techniques, music theory, and more to play your favourite songs. In this training, you will learn the basics of the guitar, hand techniques to play faster, major chords, minor chords, advanced chords, strumming patterns, music theory, and more. You will learn through video tutorials, tests, quizzes, and practice exercises to get hands-on learning experience. At the end of this training, you would be able to master playing the guitar. For doubt clearing, you can post your queries in the forum and get answers within 24 hours.

FAQs

What are the prerequisites for the training?

There are no prerequisites for this training as it is of beginner level. Everything that you need to know about Guitar would be taught to you from scratch. You just need to have a Guitar and an internet connection. If you don't have a guitar, you can buy (a new one or a second hand), or rent/borrow from your friends/neighbors or relatives. The training also includes a guide to buying a guitar.

Do I need to have a laptop or desktop to do the training or can I do it on mobile too?

You can watch the videos and take quizzes & tests on any device including mobile.

When can I start the training?

You can choose your preferred batch date while signing up for the training program and start accordingly.

What will be the timings of the training?

As this is a purely online training program, you can choose to learn at any time of the day and for as much time as you want. We will recommend a pace to be followed throughout the program, but the actual timings and learning hours are in your hands.

What will be the language of delivery for the training?

The language for delivery for the training would be Hinglish (a mix of Hindi and English).

What is the training duration or what does 4 weeks access to the platform mean?

From your batch start date, you will have access to training's content (videos, quizzes, tests, assignments, projects etc.) on the platform for 4 weeks with-in which you should be able to complete your training.

How much time should I spend on the training every day to be able to complete it in 4 weeks?

As this is a purely online training program, you can choose to spend as much time as you want per day and the more time you spend, sooner you would be able to complete the training. However, on an average, spending 1-2 hours per day should be sufficient for you to complete the training in 4 weeks. Some students also choose to devote more time on the weekends in case they are not able to give time on the weekdays.

What if I'm not able to complete my training in 4 weeks?

Don't worry! If for some reason, you are not able to complete the training in 4 weeks; we would extend your access to the platform for sufficient duration (maximum upto another 4 weeks) so that you can complete it.

What are the benefits of 4 weeks access?

Having 4 weeks access ensures you have a deadline to work with and are able to complete the training. It also helps you beat procrastination and maintain continuity in your studies which is why Internshala Trainings students have some of the best training completion rates in the industry.

What will happen when my 4 weeks access is over?

If you have completed the training, you would be able to download the training content and have **lifetime access** to it for future reference.

If you are not able to complete the training in given 4 weeks, we would extend your access to the platform for sufficient duration (maximum upto another 4 weeks) so that you can complete it.

Will I be able to download the study material?

Yes, you would be able to download the training content and have **lifetime access** to it for future reference.

Will I be getting a hard copy of the certificate?

No, you will be only getting a soft copy of the certificate which you can download and print out if required.

I'm not able to make payment. What should you do now?

You could try making the payment from a different card or account (of a friend or family). Otherwise, you can follow the instructions on how to make an offline payment [here](#).

My payment got deducted twice. What should I do now?

Just let us know your registered email id along with the screenshot of the payment receipt or transaction history. You can submit your request using the option available in the last section below. Once verified, the additional amount you paid will be refunded.

The payment shows failed but money got deducted? What should I do now?

The amount deducted will come back to your account within 7-10 working days. This is the normal duration your bank will take to credit the amount back into your account.

The payment was successful but it still shows 'Make Payment' on my dashboard? What should I do?

At times, there may be a slight delay in your payment reflecting on your Internshala Trainings dashboard. However, if your payment is not reflecting even after 30 minutes, please let us know your registered email id along with the screenshot of the payment receipt or transaction history. You can submit your request using the option available in the last section below. Once verified, we will update your payment status from the backend.

If you have any queries or any doubts regarding the training, please write to us at trainings@internshala.com or call us on +91 844 8444 853.
